

Delhi Trails

Gribley Trail (3.08 miles) Named after the beloved character in the children's novel *My Side of the Mountain* by Jean Craighead George, which was set near Delhi NY. The trail starts at the end of Sheldon Drive near the high school in Delhi. After a steep climb the trail passes through varied vegetation, offering views of the village. It then proceeds west near the ridgeline of the mountain, then finally descending to meet the Bulldog Run Trail. Follow the Bulldog Run Trail to the Immanuel Lutheran Church Trailhead.

Bulldog Run Trail Loop (2.39 miles) Named after Delaware Academy Central School's mascot. It meanders the side of Federal Hill in an easy loop, starting and ending at the Immanuel Lutheran Church Trailhead.

Frightful's Falls Trail (.36 miles) Named after the falcon, a second character in *My Side of the Mountain*, this trail connects Bulldog Run to the Gribley Trail.

The Delhi Trails Project was made possible through the cooperation of the Village of Delhi, Delaware Academy Central School, and the Immanuel Lutheran Church. The project was generously supported and assisted by Bassett Healthcare Network O'Connor Hospital, Cornell Cooperative Extension of Delaware County, the Rural Health Alliance, The Catskill Ladies Association to Support and Inspire (C.L.A.S.I) and by SUNY Delhi students. The Catskill Mountain Club designed, constructed and maintains the trails.

There is **parking** for the trails at the end of Sheldon Drive, at Immanuel Lutheran Church and at O'Connor Hospital. Use the O'Connor Hospital parking lot when church services or events are going on.
